A Special Touch with Stickers

Generally children love stickers. My wife and I found some stickers at an office supply store (school supply stores are great too) that say a variety of things like: "Way to Go!", "Excellent!", "You Remembered!" These stickers are excellent to have on hand and can be used in a variety of ways:

1. You could stick an appropriate sticker on each child as they come to club or class.
2. You could use them at different times during the club to reward the children for singing out, asking a good question, showing kindness or just about anything else you can think of.
3. Use them on an attendance/memory verse chart.

However you use them, give the child more than just a sticker, give them a big smile too as you put it on them!
